Our Achievement

Our Leadership

GUIDED BY EXPERIENCE, DRIVEN BY VALUES.

Sandhya Kumari

Meet Sandhya Kumari, a visionary entrepreneur and force behind MV enterprises. As the proprietor & organizational backbone, she utilizes her excellent skills to help the company grow. Sandhya is the strategic decision maker, who is adept at building high-performing teams and strong dealership networks. She is passionate about new ideas and her commitment to excellence and growth is taking the company to new heights.

01

Sanjay Kumar Sinha

Driven by a vision to make quality electrical and bathware products accessible and reliable, **Sanjay Kumar Sinha** founded Maa Vindhyawashini Enterprises with a strong entrepreneurial spirit.

With 17+ years of sales experience in the electronics industry, his deep market knowledge, strong industry network, and commitment to lasting relationships have shaped the company's growth. Today, his vision continues to guide the business towards quality, reliability, and sustainable growth across Bihar.

02

Saumya Sinha

Saumya Sinha, MBA in Marketing, is a key contributor to Maa Vindhyawashini Enterprises, driving its growth through strategic marketing, business development, and operational excellence.

With a modern approach and a focus on stronger retailer relationships, market expansion, and brand visibility, she is working towards building a wider and more future-ready distribution network across Patna and Bihar.

03

Introduction

Maa Vindhyawashini Enterprises is a trusted distributor of premium bathware, electrical and water-management solutions in Bihar. Established in 2016, the company has built strong market knowledge, reliable brand partnerships, an efficient supply network and long-standing relationships with retailers and businesses across the region.

With a portfolio of leading national brands across bathware, sanitaryware, electricals, wires, switches, fans, pumps, pipes and related solutions, MV Enterprises focuses on reliable distribution, competitive pricing and timely delivery

Brand Story

Founded in 2016, Maa Vindhyawashini Enterprises has grown through a strong distribution network and long-term partnerships with established brands. The company is focused on expanding an efficient distribution network across Bihar while helping retailers and customers access reliable, quality products. Shivaaksha represents the next chapter of growth, bringing together a curated portfolio of premium surface, bathware and water-management solutions.

WHAT OUR PARTNERS SAY

Testimonials

TRUSTED BY PARTNERS,
VALUED BY CUSTOMERS.

REAL EXPERIENCES,
STRONGER RELATIONSHIPS.

“

We had a great experience with their plumbing and electrical fitting services. The team was professional, responsive, and quick in addressing our requirements. The quality of work was excellent, and everything was completed smoothly and on time. We truly appreciate their commitment, service, and attention to detail. Highly recommended for reliable and hassle-free solutions.

Veena Manvi
CEO- MAKAN DEVELOPERS

“

We at Nature Agrotech appreciate the prompt service and commitment. They process and deliver orders quickly, with consistent quality. The team provides efficient plumbing and wiring support, ensuring smooth execution without delays. Reliable service, quick response, and quality products make them a dependable partner for our requirements. Support in farm making is commendable and trust worthy.

Piyush Bhagat
PARTNER- NATURE AGROTECH

“

At Palm Paradise Farmhouse, Hajipur, we experienced complete support—from underground electrical wiring to plumbing and sanitary fittings. The execution was smooth, the quality was excellent, and the team delivered with great trust and commitment. Their end-to-end support and attention to detail made the entire project hassle-free. A truly dependable service experience that sets a new benchmark in Bihar.

Prithvi Jaiswal
CEO- PALM PARADISE BY NANDAN FARM
