CK BIRLA GROUP

One of The Leading and Most Respected Business Groups in India

We are a growing US\$ 2.4 billion conglomerate that has a history of enduring relationships with renowned global companies. The Group's operations are spread across six industry sectors- Home and Building, Technology and Automotive, Healthcare and Education. With over 20,000 employees, 41 manufacturing facilities, 22 service delivery locations, 4 hospitals and numerous patents and awards, the Group entities are present across five continents. Our customer base includes some of the world's best-known companies and we also enjoy partnerships with several global leaders.

Our vision is to create value in tune with the rapidly changing needs of customers, partners and communities in the twenty-first century. Our companies are strengthened by shared guiding principles that include a focus on long-term value, trust-based relationships and philanthropy. Today, each of our entities is transforming to significantly increase the collective strength and synergies of the Group's size and span, with technology and talent driving the expansion. Beyond business, we commit significant resources to philanthropic initiatives in scientific research, development and the preservation of India's heritage.

INDIA'S PIONEERING BUILDING MATERIALS COMPANY

Established in 1946, HIL Limited is a flagship company of the CK Birla Group. Being World's largest manufacturer and seller of fibre cement roofing, HIL Limited offers comprehensive building solutions. Since last 70 years, the company has achieved market leadership by developing and marketing advanced high quality, innovative, more sustainable products for the building materials industry.

HIL HAS 5 BRANDS

Birla HIL
Birla Aerocon,
Charminar,
Charminar Fortune,
and Parador.

The company boasts of 21 state-of-the-art manufacturing facilities in India, & 2 manufacturing sites in Germany and Austria, reiterating its commitment to innovation through a dynamic R&D facility, offering products that are affordable, strong and durable. Having pioneered in green technology keeping in mind the paradigm shift to green building materials almost a decade ago, the company stands out with its signature TrueFiT™ technology that has created a benchmark in the piping industry.

HIL is committed to health and safety practices, which is reflected through its vast range of products that are environmentally viable and conducive. Given its strong emphasis on customer centricity, HIL Limited also ensures a widespread reach through an extensive sales and distribution network spread across the country, with a representation in all the states. Its strengths are truly its employees, loyal dealers and satisfied customers.
