SOMANY BATHWARE

Innovating for the future

For over **50 years**, SOMANY has been synonymous with style, performance, and innovation. In **2011**, we brought this spirit of innovation to the Bathware sector, crafting a premium range of sanitaryware and bath fittings that redefine modern living.

WITH THE
MERIT OF
DESIGN.

EXPANSIVE REACH AND QUALITY CRAFTSMANSHIP

With over **1,200** direct dealers and distributors across India, our reach is vast. Our products are meticulously crafted to meet the tastes of those who appreciate **style** and **fine design**.

Designed with precision and built to last, we bring you the perfect blend of form and function. Every detail reflects our dedication to superior craftsmanship.

COMMITMENT TO QUALITY AND SUSTAINABILITY

SOMANY Bathware is widely recognized for its dedication to excellence and adherence to stringent quality standards. Our commitment to sustainability is at the core of our operations, and this is validated by numerous prestigious certifications.

CERTIFICATIONS ENDORSING OUR COMMITMENT

BIS (Bureau of Indian Standards):

Confirms our products meet rigorous Indian safety and quality standards.

IAPMO (International Association of Plumbing and Mechanical Officials):

Validates our adherence to international plumbing and mechanical standards.

GRIHA (Green Rating for Integrated Habitat Assessment):

Endorses our eco-friendly practices, demonstrating our dedication to sustainable building solutions.

ISO 9001:2015:

Ensures our robust quality management system.

ISO 14001:2015:

Highlights our environmentally sustainable practices, focusing on reducing environmental impact, efficient resource usage, and minimizing waste.

ISO 45001:2018:

Ensures a safe and healthy workplace, contributing to the well-being of our employees and stakeholders.

SOMANY Bathware takes environmental sustainability seriously and has introduced a remarkable range of water-saving products. These innovative solutions are designed to minimize water consumption without compromising on functionality or user experience. By choosing SOMANY, customers can contribute to water conservation efforts, reduce their ecological footprint, and enjoy long-term savings on water bills.

LONG LASTING

AQUA LIFE CARTRIDGES

Somany faucets feature long life cartridges, rigorously tested for **200,000 cycles**. These premium cartridges ensure precise control, unmatched durability, and seamless temperature mixing for long-lasting performance and superior comfort.

SILKY SMOOTH

CONTROLS

Somany's Silky Smooth Controls technology ensures effortless faucet operation. The precision-engineered mechanism offers responsive, intuitive control for seamless water flow and temperature adjustments with a luxurious touch.

TRIPLE GUARD CHROME PLATING TECHNOLOGY

ENGINEERED FOR LASTING SHINE

Our advanced Triple Guard technology ensures long-lasting durability and a radiant, flawless finish. With a robust brass core, a protective nickel layer, and a sleek chrome finish, this technology guarantees superior corrosion resistance and enduring shine.

PATTERNS

Delicately sculpted patterns adorn our basins, reminiscent of the intricate cornices of chateaus, adding unique design and texture. These exquisite details turn each basin into a work of art, enhancing visual allure and providing a tactile experience that elevates any bathroom. Marrying elegance with functionality, they create a truly distinctive aesthetic.

Tankless Wall Hung WC

VIVA LA TANKLESS REVOLUTION

Inspired by the spirit of the French Revolution, Elysees-La revolutionizes bathroom design. Moving beyond bulky floor-mounted toilets and concealed cisterns, this sleek, wall-hung tankless WC simplifies installation and maintenance. Direct water connections and sensor-activated inbuilt jets deliver efficient, powerful flushes. Combining elegance and functionality, this modern solution optimizes space, works with low water pressure, and makes sophisticated living accessible to all.

Liana

A Parisian Waltz

Unleash the charm of a Parisian escape with the Liana collection, a stunning faucet that captures the essence of vintage French design. Imagine a bygone era, where elegance and nature intertwined.

Crafted with a gleaming chrome or the glittering PVD finish, this faucet shimmers with timeless sophistication. Liana series takes on a slender, graceful form, that whispers of Parisian femininity. Imagine two slender vines,

meticulously sculpted from metal, twisting and twining around each other in a mesmerizing dance

Graceful Curves

The faucets feature elegantly curved spouts and handles, reminiscent of the flowing lines seen in French Baroque and Rococo architecture. These smooth contours not only add a sense of movement and grace to the fixtures but also enhance their visual appeal, echoing the gentle arches of bridges and the intricate scrollwork of historic French ironwork.

Elevate Your Showering Style with SMART CLICK

Smart Click blends sleek design with understated elegance, making it the perfect centerpiece for contemporary bathrooms. Its refined presence complements any space, bringing a touch of sophistication to your daily routine.

Slim Recessed Design:
Flush with the wall for a sleek, seamless look.

Intuitive Push Control:
Simplified with a minimal, single-panel interface.

Powerful Showering:
Experience high-pressure performance every time.

Safe Showering:
38°C Safe Stop Button prevents accidental scalding.

Immersive Experience:
Enjoy simultaneous activation of all three functions.

Premium Aesthetics:
Single large plate trim for an upscale finish.

WARRANTY MANUAL

2. Warranty Terms

- The warranty is applicable from the date of purchase.
- The customer must produce the VAT/GST paid invoice in original to avail warranty service. In case the purchase has been done by the developer of the apartment, the possession letter from the developer will be treated as equivalent to bill.
- SOMANY products are warranted free of any manufacturing defects.
- The company is not liable for any damage out of faulty installation.
- SOMANY will at its choice, make appropriate adjustment repair or replace where its inspection discloses any such defects occurring in normal usage as per terms mentioned below. SOMANY is not responsible for installation costs.
- SOMANY reserves the right to examine product in question, and its installation, prior to replacement and will replace free of charge any part that proves defective in material and manufacturing workmanship under normal installation, use and service.
- The warranty becomes null and void if installation is not done by qualified and experienced technician/plumber and/or as per the installation procedure laid down by the company.
- The company is also not liable to pay for any civil or construction work required during installation of new products or replacement/repair of old products.
- The company is not liable for any consequential expenses or damages.
- If the manufacturing defect is seen within the first year of purchase on the ceramic product, the customer is entitled for free replacement. In case the manufacturing defect is seen after the first year of purchase & before the warranty period expires, the customer has to pay the company on proportionate basis on current MRP for new replacement.
- An equivalent replacement at pro-rata basis shall be provided in case the product has been discontinued, where in the customer has to pay proportionate amount on the current MRP, given the product is within the aforementioned warranty terms.
- During the warranty period and under normal use, if the product / component / part is found to be of faulty due to manufacturing defect, the same will be repaired or replaced upon production of this GST/VAT bill, without charges either for part or labour or both, the decision of company official will be final for fault qualifies for warranty.
- Warranty remains applicable only if the products have at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given.
- In the event of non-availability of components or parts due to any reason whatsoever Company or its Authorized Service Centre or the Dealer will not be responsible or liable for any delay that may be caused to service/repair of the Products; no claims financial or otherwise will be entertained.
- Company and customer agree that company will not be liable for any damages whatsoever arising out of use or inability to use its Company's Products. SOMANY bears no responsibility for incidental or consequential damages arising out of use or inability to use Company Product.
- By purchasing this product, customer agrees to Company's aforesaid warranty on the product.
- Company neither assumes nor authorizes any person to assume for us any other obligation or liability in connection with sale of this product.
- Customer and Company agree that customer's sole remedy for any defects in goods hereunder shall be limited to the repair or replacement at the Company's option within warranty period after delivery of such goods to the first purchaser, of any defective goods, of which notice of defects is given by the customer to the company in accordance with terms of this warranty certificate.
- The part/product against replaced part/product will be property of Company. Company shall not be liable to Customer claiming the warranty under the terms of condition of this Limited Warranty Certificate, due to defects caused by rodents/pets or in the events of force majeure. The Force Majeure means any disaster, act of God or the public enemy, any accident, explosion, fire, storm, earthquake, electric storms, tornado, flood, casualty, lockout, strike, labour conditions, unavoidable accident, nuclear explosion, national calamity, or any other circumstance or event or by any enactment of law, or by order of any legally constituted authority, or by any other similar cause of the Company or beyond the reasonable control of the party relying upon such circumstance or event.
- Company and customer agree that SOMANY bears no responsibility for incidental and / or consequential damage arising out of use and for inability to use a product. Company liability will be limited and restricted to the product replacement/value of the product sold. Company under all circumstances shall not be liable to uninstall the defective product or installed replacement product. In case, replacement is the only option then the customer has to hand over the defective product with authorised replacement paper issued by company official. To the seller and take the replacement product from there.
- Product design improvement is a continuation process and it is possible to change in part/design/asthetics/dimension hence it is advised to check the product for plumbing, company is not responsible for any consequential expense/losses.

WARRANTY MANUAL

3. Warranty terms for Water Heaters:

- The warranty is confirmed to the original purchaser or to the owner who uses the product at first installation place.
- All the parts of the product which prove to be defective in workmanship and/or materials shall be repaired or replaced free of charge on intimation to the company.
- Only the company or its Authorized Service Centre can service/repair the product.
- This warranty will not be applicable, if defect arise/caused by accidents, alteration, misuse, abuse, substitution of original components with non-genuine components, ailed (by household pets, fire, flood, earthquake, lightening and/or any other act of God/natural calamities).
- The warranty shall be automatically terminated on the expiry of warranty period specified herein above, even if the unit may be not in use for any time during the warranty period for any reason whatsoever.
- SOMANY or its Authorized Service Agent reserves the right to retain any part or component replaced at its discretion in the event of a defect noticed in the equipment during warranty period.
- While the Company will make every efforts to carry out repair/replacement under warranty as soon as possible, it is explicitly made clear that the Company shall not liable to do so within the specified time.
- In no event shall the Company/its Authorized Service Agent/Dealer liable for special or consequential damages or resulting liability, damage or less arising directly or indirectly for any delay in the performance of this warranty due to causes beyond the control.
- Replacement of parts would be purely at the discretion of SCL alone. In case the replacement of the entire unit is being made, (subject to the sole discretion of SCL), the same model shall be replaced and in the event model has been discontinued, it shall be replaced with the model of price equivalent at the time of purchase.
- Consumable items like AL anode & flexible connection pipes would be replaced on chargeable basis.
- This warranty shall not cover any consequential or resulting liability, damage or loss to property or life arising indirectly out of any defect in the product.
- The company's obligation under this warranty shall be limited to repair or providing replacement of defective parts/products only under the warranty period.
- This warranty shall be governed by laws of India and all disputes are subject to Bahadurgarh (Haryana) jurisdiction.

4. This warranty is not applicable in case of the following events

- Any defect or damage caused to the product due to natural wear and tear.
- The product is not installed and maintained according to the instruction given in Maintenance Booklet or in the Instruction Manual.
- Any repair work is carried out by the persons other than authorised service personal
- If the product is taken out of India.
- Any Modification/Alteration in the original unit or component will lead to void the warranty.
- This warranty becomes null and void if any alterations in basic structure, or parts either by way of adjustments, addition, or which has been subjected to negligence, abuse, misuse or accident, damage caused by repairs or while in transit, in case it is done other than the Company may be provided.
- This warranty will continue to be in force for the terms specified above irrespective of what replacements under it and such replacements shall not attract any fresh period of warranty beyond the period specified above.
- The product is not installed and maintained according to the instruction given in Maintenance Guidelines or in the instruction book.
- If cleaning agent is used on products for more than specified period it can damage the sheen /shine of the product.

5. Value Added Services:
