Euronics has acquired a 2-acre, 1.5 lakh square feet area to open **India's Largest Manufacturing Plant for washroom automation accessories** in the heart of Gurugram. Equipped with state-of-the-art Japanese bending and laser-cutting technology, the facility enhances our capabilities in innovation, production, and design. With a talented team of product designers and engineers driving monthly new product development, this expansion reinforces our commitment to delivering premium, best-in-class solutions while seamlessly managing ambitious projects from concept to completion.

WHO WE ARE

You Wish; We Deliver

EURONICS Inspire – your one-stop destination for everything related to public washrooms and hygiene solutions. From cutting-edge washroom automation and stylish bathroom accessories to CP fittings and sanitary ware, we provide comprehensive solutions that transform washrooms into cohesive, functional, and aesthetically pleasing spaces.

Discover the perfect blend of style, functionality, and hygiene with our tailored offerings, designed to meet the unique needs of both large corporations and private individuals. Backed by our in-house manufacturing capabilities, we deliver customized solutions that cater to your specific requirements.

With a legacy of excellence in providing state-of-the-art products, installation equipment, and accessories, EURONICS is committed to transforming washroom facilities across industries. Our solutions are crafted to maintain the highest standards of cleanliness and efficiency while remaining cost-effective and user-friendly.

At EURONICS, we take pride in empowering organizations and individuals with world-class products that reflect impeccable style and integrity. Our commitment to global sustainability initiatives ensures that our practices and products contribute to a greener future.

Experience the EURONICS difference – elevate your washroom facilities with solutions that redefine excellence, hygiene, and sustainability.

WE HAVE DELIVERED MORE THAN ONE MILLION FITTING UNITS

WE ARE PROUD,
WE ARE STILL CONTINUING...

WHAT WE DO

Euronics line of utility products and solutions, boast of it's advanced technology that are designed to deliver cost effectiveness, durability, styling and compliance options across varied price-points.

- # USE MATERIALS THAT ARE PRO GREEN
- # CUT DOWN ON RUNNING EXPENSES
- # HELP REDUCE CARBON FOOT PRINT
- # PROVIDE ADVANCED TECHNOLOGY SOLUTIONS
- # INTERNATIONAL HI-DESIGN QUOTIENT PRODUCTS
- # PROVIDE LONG-TERM VALUE PRODUCTS
- # DURABLE LASTING FUNCTIONALITY PRODUCTS
- # REDUCE RECURRING MAINTENANCE

EURONICS HAS ESTABLISHED STATE-OF-THE-ART IN-HOUSE MANUFACTURING FACILITIES, BACKED BY CONSTANT R&D TO INNOVATE, DEVELOP, AND DELIVER UNIQUE PRODUCTS. OUR COMMITMENT IS TO PROVIDE BEST-IN-CLASS OFFERINGS THAT REFLECT OUR DEDICATION TO EXCELLENCE AND CUSTOMER SATISFACTION.

From our earliest innovations to our latest offerings, our extensive catalog now showcases 750+ meticulously crafted products, thoughtfully organized into three distinct verticals. These verticals are designed for seamless navigation and tailored to meet diverse requirements, making selection effortless and precise.

Having crossed 50,000+ projects EURONICS has already forayed into the washroom automation products & solutions industry. Today it has become a reputed name amongst architects and consultants; for its advanced technology, functional durability, timely delivery and prompt after sales service to it's customers.

SUPER SLIM AIR CURTAINS

At EURONICS entree, our centrifugal Air Curtains are with high international quality standards.

The air curtain maintains environmental separation with a light flow of air, that not only results in lowered energy costs but also helps in preventing air borne contaminants & deterring flying insects from moving from one open space to another-enhancing sanitation & hygiene.

Applications

Entrance of Industries, Restaurants, Offices, Malls & other commercial places

**Cooling
Retention Effects**
Prevents cold air to go outside
& hot air to come inside

**Super Sleek
design**
Aesthetics that speaks of Slim design
& looks apt for any modern environment

**Resists ingress
of dirt & insects**
The even air flow pressure
helps in keeping away insects

**Velocity Control
feature**
Gives full access to control the mode of
air curtain depending on door height

ENTRANCE MATTING SOLUTIONS

EXCELLENT & DURABLE MATTING
SOLUTIONS THAT KEEP SPACES CLEAN & DRY

At EURONICS Entree, we offer a wide range of innovative entrance matting solutions designed to protect floors and carpets from dirt and debris. Combining safety, quality, and durability, our mats come in various colors, shapes, and sizes to suit any decor and traffic level.

Ideal for hotels, offices, industries, malls, and hospitals, Euronics Matting Products are cost-effective and built to perform.

ALUMINIUM DUST BUSTER

5014 ALUMINIUM MATTING

Recessed / Surface

Our Dust - Buster Recessed Aluminium Matting is ideally suited for high traffic areas and also keeps floors clean & dry by providing exceptional wiping/scraping action. These aluminium profiles are Antirust and can be concealed inside the flooring, which gives an premium look to the entrance area.

COLORS

EXTRA

*Sizes may vary upto ± 0.30 mm

INTERCONNECTED ROLLING

6015 ALUMINIUM MATTING

Recessed interconnected rolling Aluminium Matting adds to your 'Business' overall appearance, cleanliness, customer satisfaction and safety. These Aluminium profiles assembled with stainless steel rope to allow matting to be rolled back for cleaning. The profiles are Antirust and can be concealed inside the flooring, which gives an excellent look to the entrance area. Space between profiles allows soil to fall through (suitable for high heel traffic).

ENIGMA MODULAR MATTING

INTERLOCKING TILES

Surface

ENIGMA MODULAR interlocking tiles is a new generation matting system is designed for extra heavy duty traffic combining attractiveness with performace - dual action of scrapping and absorbing for effective elimination of dirt, dust and moisture. Montreo Carpet inside the tile prevents fine dust particles and moisture from entering inside the door. Each tile is 300 x 300 mm square and 18mm depth. The large open scraper profiles incorporate ‘heel steps’ to prevent heel trapping.

Application: Main porch area of 5 Start Hotels / Office / Malls.

MONTERO CARPET MATTING

ABSORBS MOISTURE & DIRT

Surface

Montreo Carpet Matting: Absorbs Moisture & Dirt. It is carpet-type entrance matting. Provides excellent dirt and water removal. Holds dirt and moisture off the floor. Durable and stain resistant. Vinyl backing won't stain the floor and helps prevent dirt and moisture from penetrating through the mat to the floor.
